THE SENIOR CLASS
MOUNT BERRY, GA.

CARLTON M. DILLARD
W. LINDSAY RALEY

Mrs. Emily V. Hammond

DEDICATION

HER service for Berry has been courageous and unfailing, her interest in us has been active and helpful, her faith in us has never faltered, her prayers have been a source of strength in trials and trouble, her friendship has been a glorious beacon lighting the way for inspired achievement; therefore, it is not only a pleasure, but also a privilege to dedicate this edition of CABIN LOG to MRS. EMILY V. HAMMOND.

FOREWORD

*Oh, talk not to me of a name great in story;
The days of our youth are the days of our glory;
And the myrtle and ivy of sweet two-and-twenty
Are worth all your laurels though ever so plenty.*

—BYRON.

THROUGH the 1940 issue of the CABIN LOG we hope to preserve for you something of the glory of your college days, an indelible impression of the spots which have become sacred through long association; the sweetness and sadness of making friends and parting from them, lingering memories of the things you have loved, worked for, and fought for; the games you have won and those you have lost; the times which have brought joy and happiness, and those which have brought quiet, peace, and contentment.

Ford Refectory

DR. MARTHA BERRY, Pd.D., L.H.D., D.P.S., Lit.D., LL.D.

*Chapel in the
Moonlight*

BERRY PSALM

I will lift up mine eyes unto the hills, from whence cometh my help.
My help cometh from the Lord, which made heaven and earth.
He will not suffer thy foot to be moved: He that keepeth thee will not
slumber.

Behold, He that keepeth Israel shall neither slumber nor sleep.
The Lord is thy keeper; the Lord is thy shade upon thy right hand.
The sun shall not smite thee by day, nor the moon by night.
The Lord shall preserve thee from all evil: He shall preserve thy soul.
The Lord shall preserve thy going out and thy coming in from this time
forth, and even for evermore.

Sunday May 18 - May 18, 1920

Blanche, Darling

So I simply had to put down in writing exactly how I feel about you and our friendship. I would be at a complete loss. Around my heart there is a very special kind of feeling for you which I easily recognize as the love of one girl for another girl whom she adores. I really should like to avoid making a statement about yours and my friendship publicly but I shall leave it to you to believe my sincere love for you.

It would not be fitting to write in your book without recalling the many (or at least a few of our) happy memories of the two years of our friendship at Lehigh. So big with: do you recall our fun at dances last year and this? Wasn't it fun in history room? Can we ever forget our "four some" at the store in the afternoons after "Trig" and Public Speaking — especially on Wednesday afternoons. I shall not forget how Clifton taught me to shoot paperello through throws as we aimed at certain "people."

Ralph and I shall even be "greatful" to you and Clifton for your generous

sharing of the car seat on Sunday afternoons during the Spring '19. And too, I shall not be likely to forget that "debk" I stole over Clifton, and how it came about that I owed him.

Blanche, dear, as my last word I should like to make a remark about our last Sunday afternoon on the campus and you, Clifton, Alta, Ralph, Merrill and I were together for old times' sake. Always remember and don't dare forget me. I am your friend for life.

The Y. W. C. A. has endeavored to point the way to "Follow the Glean" in its theme. "The More Excellent Way." Also the "Y" offers a varied program, fellowship through wholesome recreational activities, through shared experiences, through the appreciation of the fine arts, through creative leadership training, through worship at the Sunday evening vespers and Thursday evening services each week. Vespers have been given over to students' programs. Thursday evening services have been given over to many interesting speakers from our own campus and from other parts of the state.

The Y. M. C. A. and the Y. W. C. A. have jointly sponsored vesper services, musical programs, and an annual "Y" reception at the beginning of school. A discussion group on "Men, Women Relations and the Family" was conducted for college juniors and seniors by Dr. and Mrs. T. Walter Herbert during the fall semester. In order to stimulate interest in national and international affairs, the "Y's" began an "Institute of Human Relations" with a library display table each week followed by discussions on labor, peace, etc., each Sunday evening. Also new students were sent handbooks and written letters of welcome by members of Y. W. C. A.

The Y. W. C. A. is a member of the National Student Council and the World Student Christian Federation. The association was represented at the Georgia Area Leadership Meeting of Y. W. C. A. officers by Ruth Davis and at Southern Student Christian Conference, Blue Ridge, N. C., by Mildred Scoggins and Ruth Davis.

The Young Men's Christian Association was organized in 1905 and has grown with the schools. The "Y" is affiliated with the National Young Men's Christian Association of America, and its membership is open to all college students and faculty. The "Y" aims to bring about a better atmosphere in which to live and to promote Christian citizenship on the campus.

The "Y" welcomes new students and provides for the transportation of their baggage from Rome to the schools. Soon after the opening of school in September, the "Y" sponsors a social for all the students.

Activities sponsored by the "Y" include Thursday night programs, Sunday evening vespers, regular evening devotions, occasional talking pictures in the Ford Theatre, and Sunday evening "Fireside Chats" with Miss Alice L. Wingo, Dean Emeritus of Women.

Each year the "Y" publishes a handbook and a copy is given each student. It also sends two delegates to the Student Christian Conference of Georgia and to the Regional Conference at Blue Ridge, North Carolina.

For several years the Industrial Arts Club has been an active club on the Berry Campus. Its purpose is to gain more knowledge and create more interest in the field of industrial arts.

Constructive programs are arranged every two weeks with outstanding men in Arts and Crafts, both on and off the campus, as speakers.

In social activities, the club also holds the place of one of the major clubs of the campus. The Industrial Arts Club joins the other academic clubs in sponsoring two closed parties each year, and a two-day program—"Industrial Exposition."

The "Soiree" given the club by Mr. and Mrs. O. C. Skinner, at their home, is a highlight in each spring's program.

The Commercial Club, a student organization representing the Department of Business Administration, purposes to stimulate interest, broaden general outlook, and promote attainment in any phase of commercial work a member is interested in—it has successfully fulfilled its purpose during the year 1939-40.

Its membership is limited to those men who are majoring or minoring in Business Administration, and have a scholastic average of "B" or above.

The meetings are held bi-monthly in the Thomas Berry Common. Each program is sponsored by two members of the club, assisted by the chairman of programs. Its programs feature student studies of commercial problems and special speakers selected from among the successful business men of Rome and other nearby cities.

On December 2, 1939, the Commercial Club sponsored jointly with the Business Woman's Association their first joint program, featuring two one act business plays, "Of All Things," and the "Potter Pancake Company," directed by Hubert Greene and Julia Threault.

Wilson Fite and Carlton Dillard were awarded certificates of achievement, and permitted to wear the Club Key.

The Business Woman's Association endeavors to stimulate interest in the Commercial Department and to bring members in closer contact with outside business activities. Membership is open to those women who are majoring or minoring in commerce, and maintaining a scholastic average of "B" or above.

The bi-monthly meetings feature student programs and speeches by guest business and professional leaders.

A program sponsored jointly with the Commercial Club featured two short business plays, "Of All Things," and "The Potter Pancake Company." A joint meeting, two parties and picnics were other outstanding events of the year.

THE GEORGIAN LITERARY SOCIETY

Since 1931 the Georgian Literary Society has been active in creating an interest in the arts of speaking, writing, music, and dramatics among Berry College students.

Coöperating with the men's division a joint program was given October 14. "Hist! She's a Man" and "Please Pass the Cream" were the one-act plays given. The Georgian chorus was a musical feature of the program.

Ollie Knight and Ann Nettles won first and second places in the annual Senior Oratorical contest sponsored by the Georgian and Syrreb Societies.

The Spring activities are: The freshman contest, with Georgian sponsorship, the annual banquet, and the annual play.

Certificates of honor were awarded to Ollie Knight, Lucille Wynne, and Minnie Lee Murphy.

THE GEORGIAN LITERARY SOCIETY

The Georgian Society was victorious in the Fourth Annual Senior Oratorical Contest. The men's division, represented by Henry Houston and Norman Jones, took first and second speakers' places respectively. Ollie Knight and Ann Nettles representing the women's division were awarded first and second places respectively.

In dramatics the Georgians' outstanding achievement for the fall semester was the presentation of the joint program. The climax in this field for the spring semester was a three-act play.

Certificates of honor were awarded those men who excelled in either of the four fields of activity. *Debating*—Henry Houston, James Clowdis; *Dramatics*—Cecil Billue, Wilson Fite, Howard Tate; *Leadership*—Robert Burts; *Music*—James Grady.

The Georgian quintette, led by Cecil Billue, was successful in the Georgian-Syrreb basketball game, played Thanksgiving day.

On Saturday evening the society holds its regular meetings to present programs consisting of music, debating and dramatics.

The climax of the social life for the society is the annual banquet held in Blackstone Hall. After the banquet the members and their guests enjoy an evening's dancing at the Ford Recreation building.

THE SYRREB LITERARY SOCIETY

The year 1939-40 found the Syrreb Society winding its way around the ninth curve in our road to flaming success in literature, dramatics, music, and other expressions of art.

Marguerite Scarborough, Irene Priest, Fred Johnson, and Merrill May represented the society in the Senior Oratorical Contest, an annual event sponsored jointly by the Georgian and the Syrreb Societies.

The peak of success for the year was the play, "One Mad Night," presented on December 8-9, under the direction of Judith Joyner and Fred Johnson.

Featured activities of the spring semester were the annual banquet which was held in the Ford Refectory on March 7, and the Syrreb joint program, sponsored by both divisions of the society.

THE SYRREB LITERARY SOCIETY

"Through the Arts We Serve"

The boys' division of the Syrreb Literary Society continued its progressive approach to a rare climax during the ninth year as a result of literary expression through declamation, music, debating, dramatics, and originality.

Of inestimable educational and entertaining value was the presentation of "One Mad Night" on December 8 and 9. This was a farce-comedy in three acts, directed by Judith Joyner and Fred Johnson. Miriam Coleman and Billy Smith proved their "Star" capabilities supported by an excellent cast of boys and girls from both divisions of the society.

"The New Age" and "The American Home" were vividly depicted by Fred Johnson and Merrill May respectively in the fourth annual Senior Oratorical Contest with the Georgians on November 4.

Captain DeQuindre "Dee" McGlaun and his Syrreb basketballers won the admiration of the crowd even though they lost to the Georgians 24 to 21 in a hard-fought, extra period battle on Thanksgiving day.

Certificates of honor were awarded to Connor Webb, Mack Underwood, Merrill May, Daniel Wolf, and Gilliam Rodgers.

Merrill May and Fred Johnson represented the Syrrebs in the annual inter-society forensic contest on January 13, winning the decision by a unanimous vote of the judges.

GEORGIAN CHORUS

Each division of the Georgian Literary Society endeavors to utilize the vocal talent of the members by sponsoring its own chorus.

The women's chorus, under the direction of Miss Alice B. Warden, sings for joint programs and weekly meetings of the women's division of the society.

Under the direction of John S. Fowler, a male chorus has been organized to aid the society in furthering its aim of developing musical talent. This group sings for weekly meetings of the men's division and for special programs.

The Home Economics Club is a member of the Georgia and National Home Economics Associations. Each student in the Home Economics Department is eligible for membership in the club. An active point system is employed for the use of rewarding members of the organization for participation in progressive club movements. The club pin being awarded as the essential points are made.

The programs are given monthly. Each year the club publishes a yearbook which contains all the programs for the school year, the theme of these for the year 1939-1940 being, "The Child In A Democracy." The main project for the year was the Berry Schools Fair, presented jointly with the Agricultural Club.

In the spring the Home Economics and Agricultural Clubs have a joint banquet. Other social activities are "The Annual Hike," and Christmas party at Catherine Hall.

AGRICULTURAL CLUB

The Agricultural Club is an organization of students and members of the faculty interested in agricultural problems, and its primary purpose is to develop initiative and leadership. Weekly meetings are held in which the members, faculty advisers, and visiting speakers discuss topics pertaining to the betterment of agriculture.

The Berry Fair, sponsored by the Agricultural and Home Economics Clubs, and participated in by every member, was the outstanding event of the campus during the fall semester. The exhibits from the various departments represented a typical cross-section of the schools. The livestock was the best and biggest yet staged at Berry. The interest shown and the prizes given by commercial houses for the best fitted animals made it an important feature of the fair.

The highlight of the spring semester was the eighth annual banquet which was attended by more than three hundred members and guests.

The following men received honor certificates from the club at the end of the fall semester: Mack South, Daniel Wolf, Clinton Kitchens, Herschel Elrod, James Talley, Connor Webb, Everett Lake, Robert Cash.

Gifts to the libraries this year totaled over \$100.

During the spring semester the club scheduled several films on agriculture, and established a library in the science hall for reference work in agriculture and related subjects.

On October 1, 1937, a small group of men interested in forming a better medium of communication on our campus organized this club. The constitution states that "the name of this organization shall be the Indigenous Brotherhood of the Followers of Perspicacious Loquacity, or the Loquacity Brotherhood." The constitution further states that the purpose of the club is "to guarantee to ourselves, to our fellows, and to those who come after us, a place wherein our common language may be heard in speech fit for a gentleman and members of an educated community."

In fulfillment of the purpose of the club, interesting, entertaining and educational programs are arranged bi-monthly. A special feature of the club is the sponsoring of a spelling match each semester, prizes being given to the first three places.

The club is also active in social affairs, as it, in connection with the other academic clubs, sponsors two closed parties each year. The highlight of the club's social activity is the annual party limited only to members of the club.

Membership is unlimited to any field of study; members are taken into the club from all college classes.

THE CABIN LOG NINETEEN FORTY

Though perhaps not outwardly apparent, work on the 1940 CABIN LOG has been in progress since the summer of 1939.

The staff has been planning sections, writing, cutting and changing copy with appropriate intervals of snorting, swearing, and sweating since June.

The staff has been faced with many problems such as inclement weather, limited budget, etc., but they have tried to keep in mind the fact that others before them contended with these same problems. In the face of these difficulties they have tried to forge ahead, make the most of what opportunities have come their way, and produce the best CABIN LOG ever published.

The publication of the CABIN LOG is an enormous task, yet it is a project worthy of the efforts of any senior class. It furnishes valuable training in actual business which can never be obtained from even the most thorough textbooks, and shows the value of coöperation in the business world.

This book is not perfect, but the staff hopes that those who follow later will find that it taxes their diligence and ingenuity to surpass it.

The X Club, secret organization of faculty and students, selects its members for their qualifications of leadership, favorable school spirit, and Christian character. Student members are taken from the Junior and Senior classes. The purpose of the club is to discuss school problems and promote a better understanding between faculty and students.

Talton Jones discussed "Student Compromises" at the fall semester Tap Day exercises, held in the Mount Berry Chapel, November 8. Cecil Billue, James Clowdis, Carlton Dillard, Ralph George, Herschel Elrod, James Grady, Henry Houston, Merrill May, Mack South, Howard Tate, Alvie Wolf, and Talmage Young were tapped for membership.

Robert Burts spoke on "Pitfalls of College Life" at the spring Tap Day exercises, February 24. Clifford Blue, Clifford Martin, Lindsay Raley, and Gus Williford were tapped.

The Berry Honor Club was founded on noble ideals. To her credit goes the distinction of requiring success in academic and vocational work. These standards have waved high, and may they never bite dust. The purpose of the club is to promote interest in academic achievement. The Honor Club is not a loafer's club, as continued good work is necessary for maintenance of membership.

The men completing requirements of membership in the club in the year 1939-40 are: Hoyt Cragg, Fred Johnson, Stafford Clark, Henry Trull, John Brooks, Loy Crowder, Thomas Gandy, J. P. Banister, and Garland Dickey.

Interesting bi-monthly programs add to the life of the club, members choosing their own subjects for discussion.

The club is not fanatically serious-minded. Members are privileged to participate in the semi-annual social held jointly with other honor clubs of the campus.

The Excelsior Club, since its organization in 1932, has sought to encourage interest in scholastic achievement among college women.

At the regular monthly meetings, programs centered around literature, art, and music are presented. Members of the faculty and student members of the organization contribute to these programs.

Outstanding talks of the fall semester have been given by Miss Edith Johnson, sponsor, Mrs. George Osborn, and Dr. T. Walter Herbert.

Twice during the year the Excelsior Club joins the other honor clubs of the college in sponsoring a party.

The Melody Club, since its organization in 1927, has endeavored to promote and maintain high qualities of music at Berry. Each semester the club recognizes those students who have excelled in music by nominating them for membership in the club. After passing the required entrance examination, the nominees are given membership certificates and are privileged to wear the club letter.

To stimulate appreciation in music, the club presents each spring a recital inviting the entire schools to participate.

Those members who have shown marked ability by exceptionally outstanding work are awarded, upon graduation, Certificates of Honor.

The Berry Varsity Club consists of those upper classmen attaining a marked degree of excellence in athletic achievement. Each year the club's purpose is to promote athletic spirit and endeavor in each athlete an ideal of sportsmanship.

During each semester every man is given an opportunity to participate in some phase of athletic endeavor: basketball, track, cross-country, baseball, tennis, gymnastics, swimming, or in some minor sport.

New members are initiated into the club at the close of each semester. They greet all with a smile giving particular attention to their older club pals. The final rendezvous is followed by a banquet.

The Varsity Club, with other honor clubs, sponsors two socials each year.

The Intercollegiate Debate Council aims to promote public speaking through giving its members an opportunity to meet debaters from other colleges and universities from all parts of the country. The members are chosen by competitive try-outs at the end of each semester. The tentative schedule for the spring semester includes such schools as: Dayton University of Dayton, Ohio; University of Georgia; Shorter College of Rome, Georgia; University of Florida; University of Chattanooga; Georgia Tech.; and Alabama Polytechnic Institute of Auburn, Alabama.

Berry's Band is as old as the school itself. Through the years of its existence it has served as a source of inspiration to its members, and to the student body, as well as to the frequent guests on the campus. The band is always present at Joint Chapel and other special occasions to play as the students march. Members of the band assist in providing music for daily chapel and Sunday School. At the noon hour the band assembles in front of Blackstone Hall to play as the students gather for dinner.

A special concert was given in the fall and the band joined with the Melody Club to give a special spring semester program.

Very few of the members have had any musical training prior to their coming to Berry, and due to the excellent leadership found on the campus, many of them develop into fine bandmen. Since it is a voluntary organization, students join the band for pure enjoyment, and their desire to participate in a college organization that places teamwork and coöperation first among its achievements.

BERRY COLLEGE

THE ORCHESTRAS

THE HARMONY BOYS

THE BERRY COLLEGIATES

THE BALLAD GIRLS

The purpose of the Ballad Girls is to keep alive the old folk songs and ballads of the Southern Mountains. Dressed in clothes similar to those of their grandmothers, the girls make a lovely and enjoyable picture as they card, spin, or reel flax and wool while singing. The accompaniment is played on a dulcimer, an old string instrument handed down from generation to generation. Under the direction of Miss Alice B. Warden, the girls have represented the schools well on various occasions off the campus.

Varsity Teams

Baseball

The Varsity Baseball Team is composed of those men who have been outstanding players in their respective positions during the fall Dormitory Series. Freshmen selected on this team are awarded the freshman numeral; all others are eligible for the Varsity "B."

With the exception of the pitchers, whose value on the mound is determined by Coach J. M. Gudger and the managers, each player making this team must have a batting average of .200 or more. Several good fieldmen sometimes fail to make the Varsity team for this reason.

Track

The Varsity Track Team features those men who have taken at least one first place, or made a total of seven points, in a single inter-dormitory track and field meet. Points awarded for each event are: first place, five points; second place, three points; and third place, one point. Any man, or number of men, breaking an individual record in one meet receives eleven points and becomes eligible for the Varsity "B."

Basketball

The Varsity Basketball Team consists of those sophomores, juniors, and seniors who try for the Varsity in the spring. Not more than eight letters are given in one year, but those members who do not receive a letter contribute much to the success of the team by their capable assistance in practice. Letters are awarded by the coach assisted by the captain, if there is one.

For the past five years the Varsity has emerged victorious in the spring tournament sponsored by the Varsity Club, although on many occasions it has been hard-pressed by the various teams on the campus that questioned its superiority.

Cross-Country

The Varsity Cross-Country Team embraces the first ten men who finish in the annual cross-country run between Lemley and Thomas Berry dormitories. Each dormitory is composed of ten runners. The first five men to finish the run become eligible for Varsity letters.

DORMITORY BASEBALL

Reiterating their customary performance on the diamond the Lemley baseball team, with Edward Dickey at the helm, captured the inter-dormitory series from Thomas Berry and Emery for the sixth straight year. Managers for Thomas Berry and Emery were Vance Freeman and James Oswald.

Emery fell out early in the series by losing four games in a row, two to Lemley and two to Thomas Berry. Pitchers for Emery were Culver Bird and Howard Moore. Scores of 7-1, 0-5, 3-0, 4-5, 5-4, and 15-5 in the Lemley-Thomas Berry contests show Lemley's superiority over her rival.

Garland Dickey, pitching his second successful season for Lemley, took to himself the heaving honors of the series by collecting a shut-out and two one-hit games out of four attempts against Thomas Berry. Norman Merrill also pitched a well-earned victory for Lemley. The performance of Edward Dickey at the catcher post, and the heavy hitting of the Lemley batters turned the tables in favor of the championship defenders.

Batting honors fell to the lot of Earl Pendley, Emery third baseman, who waded into a neat .600 average for the season. Other leading hitters were: Thomas Hall, Lemley, .400; Donald Lamb, Lemley, .368; Edward Dickey, Lemley, .364; and James Lowery, Lemley, .346.

During the series Lemley won six games and lost two; Thomas Berry won four and lost four; Emery lost four but made Thomas Berry sweat heavily for one of her wins.

The batting of Wayne Dozier, Kenneth Mishoe, and Vance Freeman led the Thomas Berry offensive. Vance Freeman stood conspicuously in the Thomas Berry line-up for his able execution as catcher, his batting power, and most of all for his leadership as a handler of players. Joe Clark hurled for Thomas Berry in the two games Thomas Berry won from Lemley, gaining a shut-out in one instance and a close win in the second. He was the only pitcher that came out victorious against the Lemley nine.

Coach J. M. Gudger awarded the following men with letters or numerals for their excellence on the diamond: Vance Freeman and Edward Dickey, catchers; Garland Dickey and Joe Clark, pitchers; James Lowery and Wayne Dozier, first base; Kenneth Mishoe and Ralph Laster, second base; Bob Dickey, short-stop; Earl Pendley, third base, Thomas Gandy, left field; Thomas Hall, center field; and Donald Lamb, right field.

BASKETBALL SUMMARY

FALL SERIES

The Senior basketball team, defying all precedent, came out of hiding for the first time since the Indians left and claimed the Class Series Championship played December 7-16. While engineering this reversal of former series four cagemen on this team earned high-scoring honors. They were: Cecil Billue, 39; Dequindre McGlaun, 36; Willard Brickell, 35; and Herschel Elrod, 32. Curtis Wilson, sophomore, was next high scorer with 29 points.

All teams competing showed flashes of well organized ball-handling, which evidences the reason that basketball is our favorite sport. Ira Byrd, Junior forward, earned credit for the most spectacular individual play of the series when he intercepted a pass in the closing seconds of the Freshman B-Junior game and made the goal that gave his team a one-point margin in this particular game, putting the Juniors in the final play-off with the Seniors for first and second places.

CROSS-COUNTRY

Thomas Berry dormitory sought, gained, and earned victory in the annual cross-country run against Lemley dormitory on November 4. The score was 93-117. Kirby Smith was captain of the Thomas Berry team, and Ralph George was captain of the Lemley team.

Beginning west of the dairy barn and ending in the front drive near the Administration Building, the long distance runners stretched their legs in the three-mile test of endurance through sedge fields and briar patches, through cane brakes and plowed ground, over fences and hills, and down a straightaway finish that made a sweet ending. Walter Brown, Dale Haggard, and Fielding Bird took an early lead but were soon overtaken by Carl "Shorty" Standifer, who held the lead from there on to the finish. Standifer's time was 16 minutes and 34 seconds, exactly 30 seconds behind the record established in 1938 by Harry M. Stubbs, a lad who could "put 'em down and pick 'em up" for three miles.

This race furnished a thrilling climax in the gallant attempt of Fielding Bird to overtake Ralph George who barely managed to stay a fraction of a stride ahead in the quarter-mile sprint from the Gate of Opportunity to pay dirt. After passing all opposition, except Standifer who was more than fifty yards in the lead, these two trackmen opened up with a bit of traveling that left their runners-in puffing and trailing behind.

The most surprising run was that made by Walter Scott Brown, who without previous training eased by many seasoned runners to take fifth place, and a coveted Varsity "B" to which the first five men are entitled.

FRESHMAN CROSS-COUNTRY

Robert Gilland set the pace for the Freshman cross-country run, and by finishing the two-mile course in 10 minutes 59.4 seconds nipped 1.6 seconds off the record set by Carl Standifer in the fall of 1937. Culver Bird placed second at 11 minutes 30.5 seconds. Freshmen who ran the race and the order in which they came in are: Robert Gilland, Culver Bird, Marlon Wilson, Walker Seymour, Pierce Chatfield, Garland Dickey, Ray Shelton, Norman Merrill, Glenn Wyatt, Gene Davis, Billy Smith, Edwin Parker, Charles Campbell, Howard Moore, Earl Smith, L. C. Kelley, Earl Pendley, and Charles Rose.

Each runner received a cake from some member of the faculty as a prize for his efforts.

THE GYM TEAM

The gym team is an exemplification of the physical education program which furnishes various procedures for exercise such as pyramid building, setting-up exercises, basketball drills, performances on the horizontal and parallel bars, rings and horse, and more recently swimming and boxing. Members of the gym team are selected from those who have excelled in their gym classes. This team exhibits its skill and ability at certain school programs during the year, the most outstanding exhibitions being given at the Ag.-Econ. Fair and Founder's Day program. Each spring the two outstanding members of the team receive the Varsity "B."

Swimming is growing rapidly in popularity with both boys and girls. A large class of boys attended the life-saving course given last spring. Many races and contests of all kinds have been held in the new pool which is kept at the correct temperature throughout the year.

TENNIS

The three new clay courts just completed last year have caused a soaring enthusiasm for tennis. Scores of racquetters entered the fall Tennis Tournament held October 29 to November 11 to wage the most skillful and exciting bids to the singles and doubles championships in recent years. Hubert Greene received the Varsity "B" for his performance in the doubles. All other winners received Freshman numerals by virtue of their class standing.

Ray Shelton won the singles contest from Robert Bohler in four sets. 6-4, 6-2, 4-6, 6-2. Winners in the doubles were Hubert Greene and G. T. Carmichael who routed Merrill May and Howard Higgs in the finals by the scores of 6-0, 6-3, 6-1.

FIELD DAY

Lemley Hall successfully defended its title to the Berry Inter-dormitory Track and Field Championship on October 28 by gathering a slight margin of 61-54 points over Thomas Berry Hall. The meet was hotly contested throughout and featured Emery Hall's total of 20 points as the best showing of that dormitory in several years.

Kenneth Mishoe of Thomas Berry was the high scorer of the meet, making 18 points. His teammate, Julius Elrod, trailed him by two points. James Edmundson of Lemley was third with 14 points. No records were broken, and none were seriously threatened.

HUMOR

The primary purpose of this collection of nonsense is to give a bird's eye view of the lighter side of Berry life. If in the years to come you turn to these pages, "Read 'em and Grin"; then we have served our purpose.

—THE HUMOR EDITORS

CLASS MOTTOES:

FRESHMAN: "I don't know."

SOPHOMORE: "I'm not prepared."

JUNIOR: "I don't remember."

SENIOR: "I don't believe I can add anything to what has been said."

IRENE: "Fundy, are you going to Survey Class today?"

AGNES: "No, I'm going to sleep in my room today."

GUIDE: (In weaving room) "Our own girls hooked these rugs."

FRED JOHNSON: "Where did they hook them from?"

LOST: A small coin purse by a girl with a place for nickles on one side.

FOUND: A ruler on the way to the college campus. The owner may get it by calling at the office.

Clinton Kitchens is the wisest boy in the senior class. No woman has pinned anything on him since he was a baby.

Bob's departing toast to Hazel:

I have known many,

Liked a few,

Loved but one;

Here's to you - - -

Ray Stephens to his roommate: "Wake me up if I'm studying when you get back."

Just a little fish in a big pond . . . Mack Underwood

Just a big FISH in a little pond . . . Johnny Carr

Here's consideration worth mentioning: Dr. McAllister had covered the material assigned to his Ag. Physics class about fifteen minutes before the period was over, so he said: "That will be all for today." At that, Tom Precise replied: "O.K., I'll go out quietly so as not to awaken the other boys."

HUMOR EDITORS' MOTTO: "Why take life seriously? You'll never get out of it alive."

DR. OSBORN: "John Jay was burned in effigy."

LANIER EPPERSON: "Where is effigy?"

Preston Jackson is majoring in Psychology with a little Math and Astronomy on his schedule this semester.

HAVE YOU HEARD THESE BEFORE?

"Girls, pull off your sweaters and pass them back."

"Well, let's drive the peg down here."

"I am persuaded to believe."

"I know what you mean."

"Did you git it?—Well, sit down then."

"This booklet was given to me by a friend. It is entitled 'Prayer and Fellowship'."

"Is it democratic—with a little 'd'?"

"Girls, it is Miss Berry's expressed wush."

"Xcuse me, ladies."

"Girls, it just isn't done at Berry."

"I dare say, I must take my daily dozen."

"Fall in please."

"Blame Fellows."

"Ye gods, and little fishes."

"Ah-m-m, down at Tignall it was different."

ANN: "Johnny, did you take a bath?"

JOHNNY: "No, is one gone?"

Correct this announcement: "There will be an important joint chapel today; all students are invited to attend."

This argument was present by Fred Johnson in a serious debate:

"By a little sound reasoning, one can readily recognize the need for abolishing the rule for compulsory church attendance at Berry. The evils of the system are too manifold to go unheeded. For instance, so many Berry boys and girls wear spectacles due to the eyestrain caused by holding their snappy stories in an unusual position in order to avoid the attention of Dr. Cook and Miss Alston in church. It's also tough on the eyes when a boy tries to wink at a girl who sits three rows back and seven seats from the middle aisle in church.

"Berry sleep-walkers who leap from windows and cause great damage to shrubbery thereby have become fabulous in the history of the school. This condition is brought on by students becoming accustomed to march, rise, sit down, and get up. Friendships have been broken and boy friends have exchanged as a result of deep secrets muttered by girls in their sleep, a condition aggravated by compulsory church attendance. Asthma, and lung strain, which often pave the way for flu and pneumonia, can be traced to the terrific strain caused by the gasps of amazement from students as the huge sums of money in the collection plate pass before the astounded victims.

"Bad posture and nervousness are caused from sleeping in cramped, uncomfortable positions. Arteriosclerosis can be traced to the fact that one's feet are often lulled into unhealthy slumber whence awakening is quite painful.

"Falling hair and dandruff are caused from worry over whether one will awaken in time for dinner or not.

"Speaking thus from experience, I urge repeal of the compulsory church attendance rule."

SAVANNAH, GEORGIA

DAY'S ROUTINE:

A danca,
A data,
Perchanca
Out lata.

NEXT DAY:

To classa,
A quizza
I flunka
Gee Whizza.

WE WONDER:

If Sara will always be Blue?
If Clinton's Kitchen is modern?
If Mack will ever go South?
If Tom is really Precise?
If people think Randolph is Green?
If the girls really like Elaine's Stile?
Where Jack spends his Summers?
If Mack will continue living Underwood?

Mack South, James Talley, and Merrill May went on a business trip. At nightfall, being somewhat short of their destination (and cash also) they decided to rent a hotel room together. They paid the manager \$30—\$10 each. Later the manager, finding that he had over-charged them, sent Fred Johnson (who was bell-boy) up to the room with \$5. Fred thought that he deserved a tip, and knowing that he would not get one, decided to keep \$2 and gave Mack, James, and Merrill \$1 each. Now 3 times \$9 is \$27, and Fred kept only \$2. What happened to the other dollar?

NOTE: Answer will be in 1941 Annual - - - MAYBE.

Beside the Stone, Moss, and Sand
These all three,
Stood DeHart and the Bird near by
The Bush and Underwood tree.

And in this class so Greene,
Composed also of Allmond and Rice,
Did with the Farmer's Game of Law
Pitch a game of dice.

Wilson Fite had an experience similiar to one Jimmy Brown had last year. He cut himself both times while shaving this semester.

A few years ago when Lindsay Raley was a freshman, he inquired of Henry Houston: "Henry, how are you classified?" Henry answered, "I'm a Democrat."

James Talley, upon completion of his Botany project was discussing it in class.

MR. JONES: "Jim, your plants grew to be about a foot in height, did they not?"

JAMES: "Well, yes, sir, about 12 inches, I guess."

CHARLOTTE ENGRAVING CO.

School Annual Engravers

Charlotte, North Carolina

Stability

SINCE time, mountain peaks have served man as landmarks; they are stable, dependable in character. To many annual staffs, through more than forty-nine years, the OBSERVER PRINTING HOUSE has served as a landmark, a guide in the producing of FINE ANNUALS.

Our quality, our service, the experience of trained personnel both in advisory capacity and in mechanical production, have ever been outstanding. Over forty-nine years of continuous service is proof of stability.

OBSERVER PRINTING HOUSE, Inc.

College Annual Department

204 - 214 W. 2ND ST.

CHARLOTTE, N. C.

Well, here I am again, Blanche, will you allow me to take up this note to the last page with some of my nonsense? Really, Blanche, the longer that I know you the more I "love" you. It's just a growing thing, I guess. Really, I don't see how I could ever give you up. May I put in a little request? Don't ever forget me. It's needless for you to request the same.

LAST WORD

thing, because
I'll never do it.

Best wishes
through the
years.

Love,

alice

Ego amo te.

For providing an office which has greatly facilitated work on the CABIN LOG we are very grateful to Mr. O. C. Skinner, Industrial Manager of the school.

We would like to express our appreciation to the Y. M. C. A. and Y. W. C. A. for their donations to the CABIN LOG.

We acknowledge our indebtedness to Mr. Harrie S. Keck, Representative of Observer Printing House, Inc., for his invaluable suggestions and assistance.

To our advertisers, without whose cooperation this book would have been impossible, we express our deepest thanks and appreciation.

The entire staff of the 1940 CABIN LOG are due enthusiastic praise for the fine spirit of cooperation they have shown throughout.

Dearest Blanche,

Of all the girls, not only at Berry, but everywhere else, you are the sweetest girl I think I have ever known besides the "Family". There are so many nice things I can't say for you until I hardly know where to begin. The first time I saw you was last Nov. 26, 1939. That, I shall never forget. I thought you were beautiful - I still think so. All those nights that we have spent in your room are memories that can never be forgotten. I can't express how very much I have enjoyed it, and whenever or wherever I see "Coffee" I shall always think of the party in your room. Blanche, please remember me not only as one of the family, but one of your very best friends. There is sincerely hoping you decide to come back next fall for without you "Life will be an incomplete one". The very best wishes for everything nice in life.

Love,
Robert

Dear Blanche,

Since I'm always at the bottom, I'll take the bottom of this page. Blanche, dear, I know you have been worried to death with me this semester, but I have enjoyed it. I think you are about the best natured one of the "family", or is it the meanest. I'm sorry. I really meant for this to be a little different from the "jibe" I give Lillian Carter. With "Miss Scott" sitting here ^{me} going daffy, I'll have to say this in a hurry. I think the usual of you.

Lots of love,
Myrtle

1797
